Prelude to 83rd Akhila Bharata Kannada Sahitya Sammelana

2,000 students stand to form Kannada words at Palace

Mysuru, Nov.20 (RKB&BNR)- Over 2,000 students from 22 schools across city stood in formation to form the words: ೮೫ನೇ ಕನ್ನಡ ಸಾಹಿತ್ಯ ಸಮ್ಮೇಳನ - ಮೈಸೂರು and ಶ್ರೀ ರಾಮಾಯಣ ದರ್ಶನಂ - ೫೦ *(83rd Kannada Sahitya Sammelana - Mysuru and 'Sri Ramayana Darshanam - 50')*.

The students stood in formation holding yellow and red colour cards above their heads (symbolising the colours of Kannada flag) in the spacious portico of Mysore Palace this morning as two drone cameras recorded the event.

Today's event was a publicity campaign for the forthcoming Kannada Literary Fest and to commemorate the 50th year celebrations of Rashtrakavi Kuvempu's *Sri Ramayana Darshanam* being awarded Jnanpith in 1967.

The publicity event was organised jointly by the District Administration, Mysore Palace Board and the 83rd Kannada Sahitya Sammelana Publicity Committee.

Speaking after launching the event, Deputy Commissioner D. Randeep said that the event was being recorded using drone cameras and the videos and photographers would be uploaded onto social media networks which can be accessed by the public.

The Administration hopes that this event would help garner publicity for the Kannada Literary Fest, which is scheduled to be held at Maharaja's College Grounds in city from Nov.24 to 26.

Over 2,000 students from various schools, including Sadvidya, Marimallappa, People's Park, Vani Vilas, Maharaja, Banumaiah's, Vidyavardhaka, Avila Convent and Srikanta Schools, took part in forming the words.

This formation of Kannada words by students, which was scheduled to begin at 8.15 am, was delayed and began only at 10 am. The students stood in their designated places holding their respective coloured cards and completed the formation by 10.30 am.

The students were guided by BEOs of North and South Zones under the supervision of the Dy. Director of Public Instruction (DDPI) Manjula.

After the event, the students were served light refreshments comprising buns, biscuits and bananas.

District Kannada Sahitya Parishat President Dr. Y.D. Rajanna, Kannada and Culture Asst. Director H. Chennappa, Mysore Palace Board Dy. Director T.S. Subramanya, Department of Information and Public Relations Asst. Director Raju, Tourism Dy. Director H.P. Janardhan, former District Kannada Sahitya Parishat President M. Chandrashekar and others were present.

It may be recalled that the Mysore Palace had also hosted the 'Longest Yoga Chain' formation on June 19 this year, as a prelude to the International Yoga Day on June 21.

Governor arriving in city on Nov.22

To deliver 8th Convocation address at JSS University

Mysuru, Nov. 20 (RKB&VNS)- The eighth annual convocation of JSS University will be held on Nov. 22 at 11 am at Rajendra Auditorium located in JSS Medical College here.

Addressing press persons at Pathrakartara Bhavan here this morning, JSS Medical College Principal Dr. H. Basavanagowdappa said that Governor Vajubhai R. Vala would deliver the convocation address and also give away the awards and certificates.

Suttur Mutt Seer Sri Shivarathri Deshikendra Swamiji, who is also the Chancellor of JSS University, will grace the occasion. JSS Mahavidyapeetha Executive Secretary Dr. C.G. Betsurmath will preside.

A total of 1,274 students will receive their doctoral degrees,

Vajubhai R. Vala

graduation and post-graduation certificates in various faculties of Medicine, Dentistry, Pharmacy, Management Studies, Life Sciences and Bio-Medical Sciences.

Forty students will share 56 medals and certificates. Also 22 Ph.Ds and five super-specialty degrees in DM and MCh will be awarded.

Problems plenty, Solutions scanty

The nation finds itself in a whirlpool of problems, bugging not only those in charge of managing the *house* but also its *inmates* as it were, that is the mass expanding on any time scale one chooses. If demographers tell us that the headcount at any point of time gets added to the existing mass as so many every minute or hour, their observation based on reasoning and carried by the media, hardly anyone is seen alarmed. Whoever takes notice of the population figures, expressed in lakh, million, billion, often sidelining the upward rise in those figures, are taking the feature as *fait accompli*. Economists of all hues take fascination to explain that the dividends of all the progress being made *on one hand* are diluted by their share among the masses and expressed as *per capita on the other hand*. Putting their two hands together, takes us to the world of many all-too-familiar problems, both created and suffered by different sections of the currently estimated headcount 1.35 billion (135 crore), notably haves and have-nots. The former fraternity are *managing* their house with reasonable comfort only leaving the rest red-faced.

The script-writers of the nation's Constitution, taking note of the hardship experienced by the majority in the population, attributed to societal events over many centuries past, have laid down the road map to correct the anomaly. The measure of *favouring* the deprived sections, which doesn't need to be gone into in detail, has proved to be quick-fix solution and doesn't seem to be seeing the day of ending the measure, while the problems have become only more complex.

In the context of the just-ended dialogue between the top brass in the Karnataka Government and the doctor-body over the former's proposed measure to rein in the privately-managed hospitals in the State, the government, particularly at the Centre, has been portrayed as *shedding crocodile tears* as it were, in public domain. The private managements of hospitals cannot be denied credit for creating infrastructure and also service in cities such as Mysuru at enormous cost without which people seeking medical attention elsewhere would have to face more hardship and expenses. It is here that the government can join hands with private sector and ease the hardship of the suffering public a great deal.

In a hard-hitting editorial, *Lancet*, the world's leading medical journal, in its issue last week, has remarked that the incumbent government's pledge to marginally increase health care spending to 2.5 per cent of the GDP has not gone down well with health specialists. The remaining problems bugging the nation and its people have left them tears nobody can wipe.

EDITOR'S BOTTOMLINE

Due to shortage of toilets and bathrooms, Police on Legislature Session duty, were found using isolated open spaces to attend to nature's calls and take baths on the campus of their accommodation places due to overcrowd in the morning. As many as 150 Police have been accommodated in the Bhantara Bhavan, an auditorium beside the over-bridge near Gandhi Nagar which has eight toilets and bathing rooms. However, as they all had to be on time at assigned places, all the toilets and bathrooms were occupied in the morning. And so the others went to isolated spaces to attend to nature's call. — *H. Rajan Samuel in The New Indian Express.*

NEWS SPARKLERS

Pay plastic for food

Jakarta: An extraordinary new restaurant in Semarang, Indonesia is on a mission to support locals trapped in poverty, many of whome are earning less than $25 (USD) a month, by providing them with an alternative way to pay for their food. The Methane Gas Canteen, run by a couple named Sarimin and Suyatmi, is located in an unexpected place for an eatery – Jatibarang Landfill in Semarang, Central Java. The landfill is a mountain of putrifying waste, where poor locals spend their days scavenging plastic and glass to sell. Meanwhile, the couple, who spent 40 years collecting waste before opening the restaurant, is busy cooking. What makes the restaurant unusual, aside from its location, is that no cash is required to pay for meals. Poor scavengers have the option to pay for their food with recyclable waste instead of hard currency. Saramin, 56, weighs the plastic customers bring in, calculates its worth, and then deducts that value from the cost of the meal, refunding any surplus value to the patron. The scheme is part of the community's solution to reduce waste in the landfill and recycle non-degradable plastics.

Infamous Conman

Florida: Jimmy Sabatino, one of Florida's most notorious and prolific conmen, was recently convicted to 20 years of solitary confinement, after pleading guilty to running a $10.4m fraud. He was prisoned, but managed to run a successful racketeering operation with the help of associates on the outside. During his trial, Sabatino told the judge that he cannot stop himself from committing crimes, and requested that he be sentenced to solitary confinement at Supermax, one of the toughest prisons in the US. He claims that the lack of human contact is the only thing that can stop him from conning people. Sabatino, who has spent most of his life since age 19 behind bars, was serving a sentence at the Federal Detention Centre in Miami for violating the terms of his supervised release, in 2014, when he came up with an idea of another con, from inside the prison. He somehow convinced two Correction Officers at the detention centre to smuggle 5 mobile phones for him. Both officers lost their jobs, but neither faced criminal prosecution.

HEALTH CAPSULE by Bron Smith

How much water should I drink each day?

Current guidelines from the Institute of Medicine specify that women should get 91 ounces of water per day. That may sound overwhelming, but remember that at least 20 percent of your daily water consumption comes in the form of food. 1 medium apple contains 6 ounces of water.

**Health Capsules is not intended to be of a diagnostic nature.*

PU students excel in Quiz contest

Students of Vijaya Vittala PU College H.P. Pruthvi and N. Shankar Athreya secured first place in the inter-collegiate Pre-University Quiz contest "Brain Bytes-2017" organised by Amrita Vishwa Vidyapeetham, Mysuru campus recently.

City theatre personality conferred State Award

Mysuru, Nov. 20 - Senior theatre personality and children's playwright Dr. H.K. Ramanath of the city was conferred State Award by Governor Vajubhai R. Vala and Women and Child Welfare Minister Umashree at a programme organised by Women and Child Welfare Department as part of Children's Day celebrations at Bengaluru on Nov. 14.

Dr. Ramanath is closely associated with Kalasuruchi in Kuvempunagar here for over 10 years. He is also the convenor of Kalasuruchi's weekly programme for children '*Kathe kelona banni*' on every Saturday from 4.30 pm to 5.30 pm.

VOICE OF THE READER

KSOU deadlock: Will it ever be resolved?

Sir,

It is very sad to note that one more life is lost due to the cumulative effect of irresponsible acts of commission and omission by successive management personnel in Karnataka State Open University - KSOU *(SOM* dated Nov. 18).

As one who has witnessed from close quarters the goings on at the KSOU, formerly ICC&CE, I was sure that this situation was waiting to happen and it took so long is a mystery. Not that it happened!

D. V. Urs was at the helm when the Institute was started in two rooms of the Crawford Hall. Nobody had a clear idea on how to go about running it. But, malpractices started then itself when hundreds of postal orders were knocked off and encashed first by one or two employees and how many later is unknown.

The higher officers failed to curb such acts with a firm hand. Nepotism crept in. **Many so-called teachers had never faced a class or given a lecture to an open class of students.** Some post-graduate course teachers would not write their lessons and the reason one gave was that he has to tell the same thing at the contact programme and so he would give it after the contact programme was over.

Degree was being awarded by the University of Mysore. **A Kannada MA degree awarded to a regular student who undergoes rigorous training for two years was equal to the Kannada MA degree awarded to a KSOU student who sits in his home,** reads the Master lessons sent by post, sends his response sheets which may never be evaluated and the result made known to the student.

Whereas a particular discipline in Manasagangothri would take in about 24 or 30 students per year, the students enrolled for the same discipline in KSOU often crossed the 1000-mark. When both MA degrees are equal to each other in the employment arena, the sudden surge in MAs caused lot of problems for job-seekers.

When the work-load increased, because of many administrative problems, the KSOU employed a number of persons on daily wages. They were never confirmed even after 25 years. No Director or VC ever took upon them to solve these problems or improve the quality of education that was being 'imparted' by the KSOU. They were busy opening more courses, constructing new buildings and many other non-academic activities.

Scandals of all types and dimensions have happened in the last 40 to 45 years of KSOU's existence. Whenever investigating agencies started looking into the allegations against KSOU, as always, they failed to prove anything due to 'lack of evidence.'

Fixing of responsibility for the mistakes committed by individuals and punishing them may never happen. **But the damage done to students, staff and others over the years also can never be redressed.** It is really an unfortunate situation. Who will compensate for the time lost and money spent by lakhs of students? Can anyone suggest a workable solution to the KSOU affairs?

International conference on "Knowledge partnerships" held at St. Philos

Dignitaries seen during the inauguration of the conference at St. Philomena's College in Bannimantap recently.

Mysuru, Nov.20- An international inter-disciplinary conference on "Knowledge partnerships to advance UN sustainable development goals" was held at St.Philomena's College here recently under the auspices of the Department of Journalism and Mass Communication.

Dr. Pornchai Mongkhonvanit, Chair, ACD University Network, President of SIAM University, Thailand and Vice-President, International Association of Universities, delivering the inaugural address said "sufficiency in economy of philosophy is close to my heart. Our king H.M. Bhumibol Adulyadej strove very hard to bring Thailand from 67 million poor people country to second largest economy among the ASEAN countries. Thailand received 2006 UN achievement award from the then United Nation's General Kofi Annan for this initiative."

He continued saying Sufficiency in Economy of Philosophy (SEP) is about three pillars — Moderate, Reasonableness and Prudence. These three pillars work on two conditions, that is, knowledge condition and virtues condition.

Dr. Pornchai said we should have co-operation over competition and togetherness over division to have knowledge over ignorance and common goals to save planet. He asked every other country to come with living museums and living laboratories, and to turn every educational University into a University with well-being of society, world and planet.

John Arul Phillip, Dean of Education and Cognitive Science, Director of Asia Centre for E-learning and AE University, Kuala Lumpur, Malaysia, talking about 'Technology and Change' spoke about blended learning. Malaysian University uses YouTube for teaching and learning, concentrating on the concept learn, re-learn and unlearn for youth.

This was followed by Dr. Wooday P. Krishna's lecture on the topic "Sustainability and Mahatma Gandhi and Rabindranath Tagore." Dr. Krishna, who is the Chairman of Gandhi Peace Foundation and General Secretary of Seshadripuram Educational Trust, eulogised Gandhiji for having thought of sustainability in 1909 itself. In his publication *'Swarajya'* Gandhiji had written about hazards of civilisation, perspective of morality, sustainability and restraint. Though Gandhi was not against industrialisation, he had quoted "Industries are violence against people and environment. **He didn't want mass production but wanted production by mass.** Speaking about the views of Tagore on sustainability Dr. Krishna said "True happiness will not make us rich and happy but fullness of life will make us happy and rich."

Bishop Emeritus of Mysuru Rt. Rev. Fr. Thomas Anthony Vazhapilly also spoke.

On the occasion Royal Thai, Consul-General, Chennai, Mrs. Krong Kanit Rackcharoen was felicitated. Later she released a book titled *"Chronicle of Thailand."*

Research scholars, foreign and Indian delegates, faculty members and students attended the event in large numbers.

Umesha has been awarded Ph.D in Kannada for his thesis 'Jaanapada mattu Kannada Sahityadalli Male' [Guide: Dr. N.M. Talawar].

JD(S) holds 'Kumara Parva' rally in Chamaraja Assembly segment

Prof. K.S. Rangappa is party candidate, declares A.H. Vishwanath

Former University of Mysore Vice-Chancellor Prof. K.S. Rangappa, along with JD(S) Supremo H.D. Deve Gowda, is seen lighting the lamp during the launch of 'Kumara Parva' rally near Kuvempu Circle at Hebbal coming under Chamaraja Assembly segment yesterday as JD(S) State President and former CM H.D. Kumaraswamy and other leaders look on.

Mysuru, Nov.20 (SBD&DM)- The JD(S), which has taken an early start in the campaign in the run-up to the 2018 Assembly polls, conducted a road-show in Chamaraja Assembly segment yesterday.

Former Vice-Chancellor of University of Mysore and KSOU, Prof. K.S. Rangappa, who is the most likely JD(S) candidate for Chamaraja Assembly segment, flanked by JD(S) State President and former CM H.D. Kumaraswamy (HDK) and Chamundeshwari MLA G.T. Devegowda (GTD), participated in the road-show.

Following the road-show, the JD(S) leaders addressed 'Kumara Parva' rally near Kuvempu Circle at Hebbal coming under Chamaraja Assembly segment.

Speaking at the rally, H.D. Kumaraswamy said that the JD(S) rally, which began early this month from Chamundeshwari constituency, has traversed across the region and has received tremendous response from the people who were now looking up to JD(S) with renewed hope.

Maintaining that the response from the people to the rally has infused a new enthusiasm among the party workers, the JD(S) leader said that they had already worked out a blue print to help the farmers in distress.

Lashing out at Chief Minister Siddharamaiah for making false claims on State development, Kumaraswamy invited the CM for an open debate on the issue.

Claiming that it was he who was responsible for bringing Rs. 1,700 crore from the Centre to the city under JNNURM scheme, Kumaraswamy also asserted that he played a big role in bringing many projects and schemes to the city and district, including Megalapura and Kabini drinking water projects, UGD project, Sagarkatte bridge, etc.

Terming Siddharamaiah's recent statement that no one can defeat him (CM) in Chamundeshwari constituency as sheer arrogance, the former CM said that the people were eager to teach Siddharamaiah a lesson in Chamundeshwari Constituency.

Ridiculing the CM for terming the JD(S) as a family party, the JD(S) leader said that Siddharamaiah himself is now indulged in making the Congress father-son party with the CM's son Dr. Yathindra announcing he would contest from Varuna Assembly segment.

Hitting out at Health Minister K.R. Ramesh Kumar on the controversy over the amendments to the Karnataka Private Medical Establishments (KPME) Act, Kumaraswamy termed the Minister as a hypocrite.

Alleging that Ramesh Kumar had failed to run Government Hospitals properly, the JD(S) leader questioned the Health Minister on who should be held responsible for over 60 deaths during the doctors agitation.

Noting that the Bill proposed by him during the JD(S)-BJP coalition Government in 2007, wanted to crack down on quacks besides proposing jail term for them while the Grievance Committee was to be represented by members from the medical fraternity, including the local heads of the Indian Medical Association (IMA), Kumaraswamy said that he would raise the issue in the Assembly.

He dismissed CM Siddharamaiah's claims that the KPME amendments was first proposed by the JD(S)-BJP coalition Government, as a bundle of lies.

JD(S) Supremo and former PM H.D. Deve Gowda, in his address, said that he wanted to see his party return to power on its own in the 2018 Assembly polls.

Pointing out that this was the second 'Kumara Parva' rally in Mysuru after the one in Chamundeshwari constituency earlier this month, Devegowda said that his party's real fight will begin once the election schedule is announced.

Asserting that he was not for entering into coalition with any party in forming the Government after the polls, Deve Gowda reiterated that he very much wanted to see H.D. Kumaraswamy as the next Chief Minister only by the choice of people.

Claiming that people still remember HDK's administration in the 20-month-old JD(S)-BJP coalition in 2007 as a good one, Deve Gowda stressed on the need for unity among the party cadres to ensure that HDK becomes the CM again.

GTD lashes out at Siddu

Chamundeshwari MLA GTD, in his address, termed Chief Minister Siddharamaiah as a most arrogant person. Poohpoohing Siddharmaiah's rule in the State, GTD said that the CM had such audacity to address former PM H.D. Deve Gowda in singular.

Asking the CM to recall his earlier days when he entered politics, GTD said that Chief Minister Siddharamaiah was dreaming to get elected from Chamundeshwari constituency in 2018 polls, but that will remain only as a dream for the CM.

He vouched to make HDK as the Chief Minister again.

Former MP and JD(S) leader A.H. Vishwanath, in his address, declared that Prof. K.S. Rangappa was the party candidate for Chamaraja segment, which got the nod from HDK and H.D. Deve Gowda.

Launching a tirade against Siddharamaiah, the former MP said that Siddharamaiah had made it a practise to politically finish off anyone who had helped him in his (CM) election.

Citing the example of himself, V. Sreenivasa Prasad and S.M. Krishna, Vishwanath said that Siddharamaiah was out to finish the Congress with his autocratic style of functioning.

Pointing out that the people very much need a regional party and not a party having High Command culture, Vishwanath asserted that he was working towards making the State Congress-free.

He further said that the people of the State were very much eager to see Kumaraswamy as the Chief Minister again.

Senior JD(S) leader P.G.R. Sindhia, Soraba MLA Madhu Bangarappa, who is the State JD(S) Youth President and other leaders too addressed the gathering.

HDK inaugurates party office in Gokulam

Prior to the rally, H.D. Kumaraswamy (HDK) inaugurated the new Chamaraja constituency party office in Gokulam.

Speaking on the occasion, Kumaraswamy said that the party top brass has already decided on who the party candidate (Prof. K.S. Rangappa) is.

He further said that the first list of party candidates for the 2018 Assembly polls will be announced by the end of this month.

MLA S.R. Mahesh, MP C.S. Puttaraju, Mayor M.J. Ravi Kumar, MLCs K.T. Srikantegowda and Appaji Gowda, JD(S) District President Narasimhaswamy, Prof. K.S. Rangappa, Prof. Govindaiah and other leaders were present.

Cracks show-up in JD(S)

Even as former VC Prof. K.S. Rangappa projected himself as the front runner for the JD(S) ticket to contest from Chamaraja Assembly segment, the party received setback with city unit President K. Harish Gowda rising a banner of revolt.

While HDK and H.D. Deve Gowda promoted the former VC with Kumaraswamy holding a road-show with him (Prof. Rangappa) and addressing 'Kumara Parva' rally at Hebbal on Sunday, Harish Gowda who is miffed with the party top brass for side-lining him, chose to skip the road-show and the rally as well.

Dinesh Coaching Centre presents 'Pratibha Puraskar' to meritorious students

District toppers Darshan Shamantha and Samartha, who received Pratibha Puraskar at a function organised by Dinesh Coaching Centre at Kalamandira here yesterday are seen with Swami Mangalanathanandaji of Ramakrishna Mutt, Bengaluru, Yuva Brigade Guide Chakravarti Sulibele, Centre Head N.V. Dinesh and N. Sowmya, Biology Teaching Faculty. Picture left shows a section of audience at the programme.

Mysuru, Nov. 20 (US& YDS)- Dinesh Coaching Centre had organised a function at Kalamandira here yesterday to present Pratibha Puraskar to meritorious students of the Centre.

Speaking on the occasion Swami Mangalanathanandaji of Sri Ramakrishna Mutt, Bengaluru opined that though children learn basic education at schools, they should be taught culture at home by their parents. He pointed out that society was like sugar covered with mud and added that education should activate wisdom in children to pick up only sugar leaving the mud behind, the way ants do.

Addressing the gathering Yuva Brigade Guide Chakravarti Sulibele quoting a conversation between Bharadwaja and Narada where the former wanted increased longevity to acquire more knowledge, said that the sea of knowledge was of infinite depth and hence learning was eternal. Referring to demonetisation, Sulibele opined that chasing money could be dangerous as any moment it could be made to lose value. On the contrary he added that going after Principles and philosophy was always invaluable.

Pratibha Puraskar were presented to over 100 students who had scored more than 600 marks in SSLC examination conducted during 2016-17. Mementoes were distributed to students who had won in various contests. Centre Head N.V. Dinesh and others were present.

KSOU to get back recognition soon

Mysuru,Nov. 20 - Union Ministers Prakash Javadekar and H.N. Ananthakumar have assured former Minister S.A. Ramdas of taking measures for renewal of recognition of Karnataka State Open University (KSOU) by the UGC.

Ramdas, who met the two Union Ministers at a seminar organised at BMS Engineering College in Bengaluru recently, apprised them of the problems that KSOU students were facing following de-recognition of the University.

Ramdas highlighting the severe problems that lakhs of students enrolled with the University are facing, told the Minsters that two students have already committed suicide over the issue, while others have slipped into depression.

Speaking to *'SOM'* Ramdas said that Human Resource Minister Prakash Javadekar and Minster for Chemicals and Fertilizers have assured him of making all efforts to convince the UGC on renewal of recognition of KSOU.

Businessman receives fake Rs. 2,000 currency note from customer, ATM dispenses torn note

Mysuru, Nov. 20 (RK&KS) - It seems that demonetisation of high vale currencies which was implemented to stop circulation of fake currencies has no effect on miscreants as a businessman in city has received a fake currency of Rs. 2,000 denomination by a customer recently.

The businessman came to know that the currency was fake, when he went to the bank to deposit the same.

The businessman, who received the fake currency, has been identified as Raviteja, a resident of Kanakagiri, who runs a stationary shop at Vidyaranyapuram in city.

On Friday, a customer came to his shop and bought some stationary items and gave the fake Rs. 2,000 note to him and took the change. Raviteja, on Saturday, went to Syndicate Bank in Chamundipuram to pay the instalment for the loan he had taken and gave the Bank staff at the counter the loan amount which had the Rs. 2,000 note given by the customer.

The bank staff, while counting the currencies found that the Rs. 2,000 note was fake and informed the matter to Raviteja who told them he did not know how the fake note came to him. The bank staff then put a seal 'FAKE NOTE' on the Rs. 2,000 note and gave it back to him.

The bank authorities have cautioned the public to be careful while doing transactions besides advising them to check the currencies before receiving the same.

A torn Rs. 2,000 currency was dispensed by Karnataka Bank ATM in Chamundipuraman ATM in city. Puneetha G. Kudlur is the person who received the torn currency.

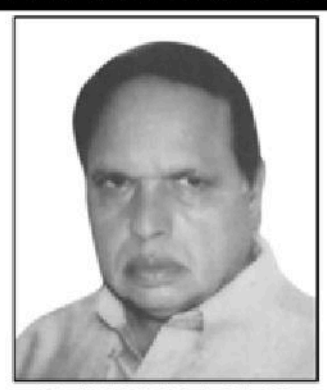
Obituary

J. Girija

Mysuru, Nov. 20 - J. Girija (55), daughter of late Sannamma and Javaregowda couple and a resident of Krishnamurthypuram here, passed away yesterday at NIMHANS in Bengaluru. A spinster, the deceased leaves behind three brothers and three sisters.

Body donated: The body was donated to M.S. Ramaiah Hospital as per the wish of the deceased.

UTTARA KRIYADI



Sri BEERAIAH

(Retired Engineer, Irrigation Department)

The Uttara kriyadi will be held on 21-11-2017, 7.00 pm at his residence Mysuru City, VV Mohalla, Gokulam, Doctors Corner, 3rd Stage, 8th Main, No. 985. Please consider this as a personal invite and pray for the departed soul.

Bereaved wife, sons, daughter in law, grand sons & relatives

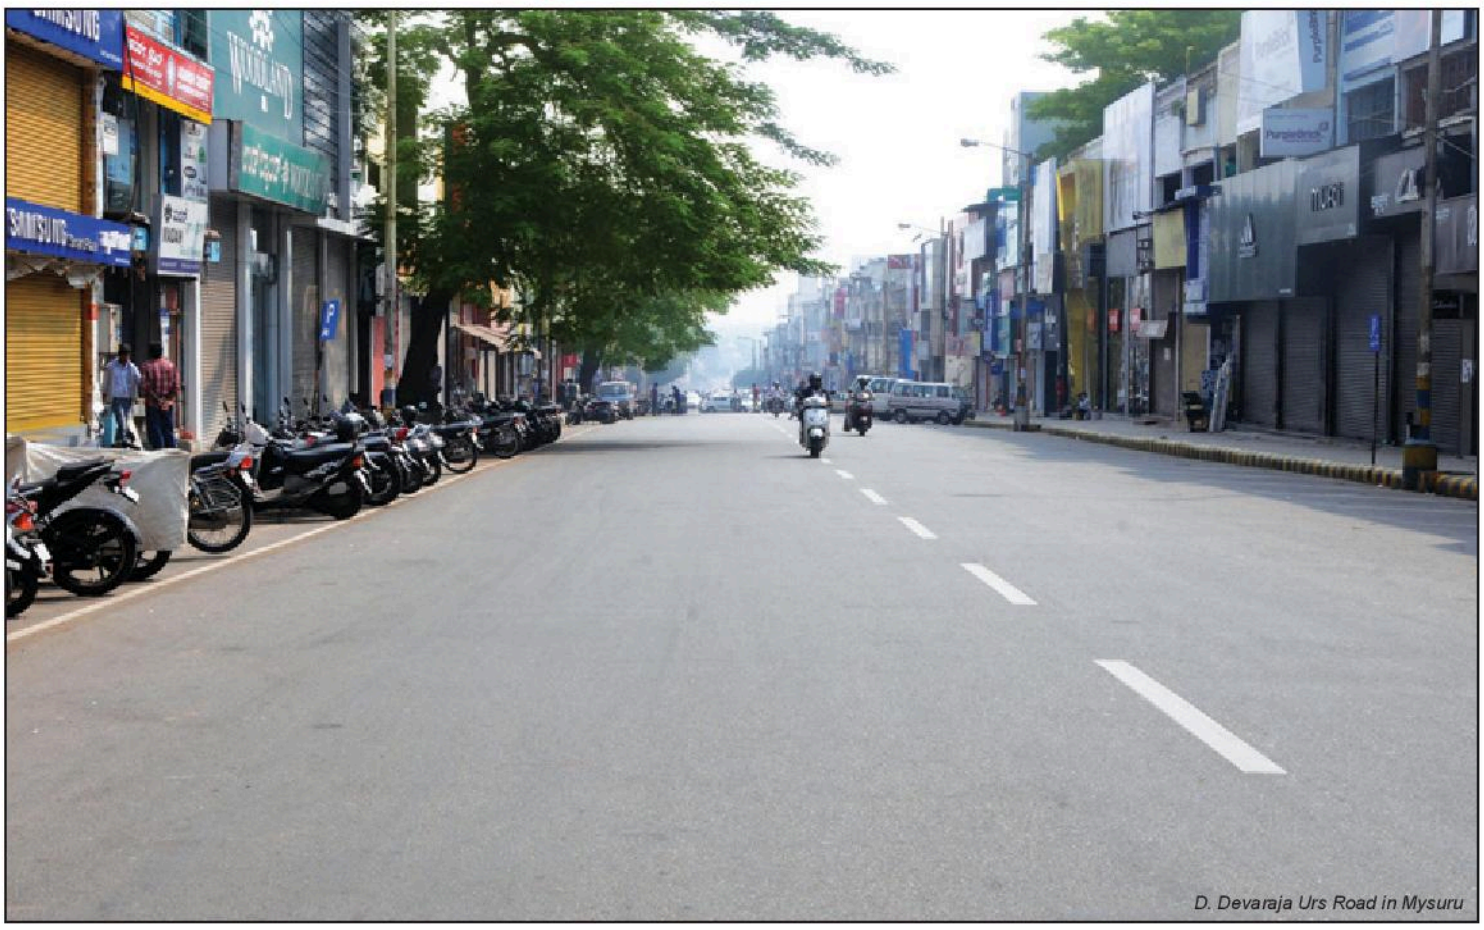
Devaraja Urs Road to become New Age Road

Project worth Rs. 12 crore to elevate stretch to international standards



D. Devaraja Urs Road in Mysuru

Mysuru, Nov. 20(RK&BCT)- After making its mark in Bengaluru (at times praised and criticised), it is the chance of Mysuru to get Tender SURE roads. As a pilot project, the D. Devaraja Urs Road at the Central Business District (CBD) will be made a Tender SURE Road. This means, the road will be designed in such a way that there will be no digging.

Tender SURE (Specifications for Urban Road Execution) is a liberator from intermittent road repair works. It is a new age project that is capital intensive and low on maintenance. The aim of Tender SURE roads is to upgrade roads in the CBD to international standards. Tender SURE road standards mandate the integration of networked services under the road — water, sewage, power, OFC, gas, and storm-water drains.

Most of the city's roads are wide. But the sheer volume of traffic and constant civil works like cables or drainage pipe laying, footpath or electrical transformer repairs make these roads perfect traffic gridlock examples. Once the road is laid as per Tender SURE specifications, the road cannot be dug to provide civic amenities.

Speaking to *Star of Mysore*, **Mysuru City Corporation Commissioner (MCC) G. Jagadeesha** said that Devaraja Urs Road will be declared Tender SURE once the works are completed at a cost of Rs. 12 crore. The money will be sanctioned from the Heritage Development Fund. "It requires anywhere between Rs. 12 and Rs. 13 crore to lay one kilometre of Tender SURE road. Urs Road is 950 metres long and once it is declared Tender SURE, the life of the road will increase by 50 years," he said.

The design of Tender SURE roads prioritises the comfort and safety of pedestrians and cyclists, as well as recognises the needs of street vendors and hawkers. It also combines street landscape aesthetics with practical considerations. Some of its focus points are: uniform lane width, pedestrian-friendly footpaths, utility ducts on both sides of the roads and cycle lanes wherever feasible.

Tender SURE roads in short are model roads that are planned to last longer than the current conventional lowest-bid contractor-laid roads that not only need constant maintenance and repair but also keep getting dug up by other service providers. In Tender SURE, the monitoring system in place is supposed to be strict and is expected to ensure that standards are adhered to.

"You cannot even dig a Tender SURE road. Before the road is converted to international standards, civic utility lines such as drinking water, underground drainage, street-light, signal lights, optical fibre cable, CCTV cables will be laid along the utility ducts on both sides of the road so that the road need not be dug again. For this, a proper coordination between electricity supply companies, water works, Police and the MCC is necessary," the Commissioner said.

Jagadeesha said that the **project has got a green signal from Mysuru District in-Charge Minister Dr. H.C. Mahadevappa and Deputy Commissioner D. Randeep.** A Tender SURE consultant from Bengaluru visited MCC recently and gave a power-point presentation on the road. "We will prepare a Detailed Project Report and send it to the government for approval," he added.

The Cunningham Road in Bengaluru that was recently converted into Tender SURE Road. The road now has wide footpaths and a row of ornamental plants that separates footpath and the road. The footpaths have also been laid with iron bollards to indicate demarcation.

No takers for MCC's pay-and-park tenders

There are no takers for tenders to implement the pay-and-park system on D. Devaraja Urs Road and the Sayyaji Rao Road. The Mysuru City Corporation (MCC) has called for tenders thrice and the response has not been encouraging.

The MCC has been planning to introduce the pay-and-park system to regulate the premium parking spaces at these roads in Central Business District (CBD). MCC officials say that certain shop-owners on both the roads park their own vehicles depriving the facility to shoppers.

"We have seen that shop owners bring their cars (sometimes owners of one shop bring two to three cars) and park from morning till evening. This has led to a lot of inconvenience to shoppers, tourists and other visitors. We want to prevent this by introducing the pay-and-park system," they said.

"We have received a lot of complaints from the public and shoppers about the lack of parking space and the constant traffic jams on both the roads. No Parking Zones will solve these problems, they added.

Sources told *Star of Mysore* that the tenders were not filled in by interested parties as the norms were stringent. Surprisingly, even after the norms were relaxed, there has been no response.

Now that there are no takers for tenders, the MCC is planning to take over the pay-and-park system.

Mysuru Zoo to gift female giraffe to Bannerghatta Biological Park

Mysuru, Nov. 20 - The historic Sri Chamarajendra Zoological Gardens, popular as Mysuru Zoo, will donate a female giraffe to the Bannerghatta Biological Park in Bengaluru. Mysuru Zoo, known for its captive animal breeding, has three male and five female giraffes.

The giraffe will be transported in a specially-designed container *(see pic.)* that will be mounted on a long-chassis truck.

Giraffe is a genus of African even-toed ungulate (hoofed) mammals, the tallest living terrestrial animals and the largest ruminants (a mammal that chews the cud regurgitated from its rumen). The giraffe's chief distinguishing characteristics are its extremely long neck and legs, its horn-like Ossicones, and its distinctive skin patterns.

The Mysuru Zoo, that has eight giraffes, has the reputation of donating giraffes to many Indian Zoos under animal exchange programmes. Among the three male giraffes is 23-year-old Krishnaraja which is the oldest one in the Zoo.

Zoo authorities said that two giraffes, Kushi and Lakshmi, are pregnant and are expected to deliver in a few days. This will push up the numbers to 10. If one giraffe goes to Bannerghatta Biological Park and if Kushi and Lakshmi deliver healthy calves, the number of giraffes at the Mysuru Zoo will be nine.

Shifting of a giraffe is not an easy task considering the animal's height of 14 to 20 ft. A specially designed container has been procured to transport the animal to Bengaluru. The cage will be mounted on a long chassis and low-lying truck and the animal has to cover a distance of about 145 kilometres.

The journey will at least take four to five hours where the transporters have to watch out for overhead electricity cables.

According to Zoo Executive Director C. Ravishankar, the process of conditioning the giraffe for the journey has begun and the animal is being familiarised to the special enclosure. Care is being taken so that the animal does not panic inside the cage while it is being transported.

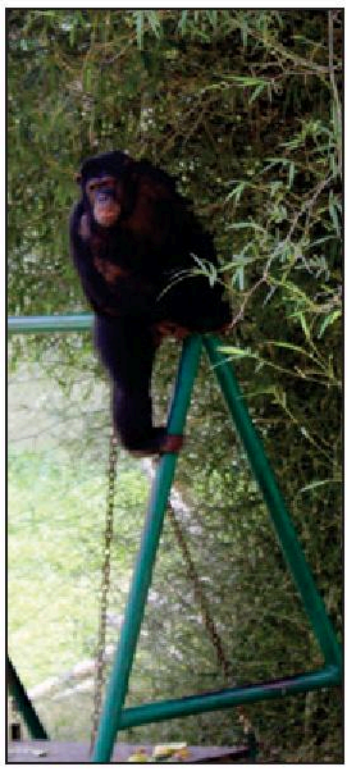
The staff that is familiarising the animal with the cage have similar experience of transporting giraffes through road in the past. The giraffe is being gifted to Bannerghatta Biological Park as a special case and the proposal to send the animal was pending since many years.

"Among Mary and Bubbly, two young females, one will be sent there. A final call on this will be taken in a few days," he said, adding that both animals are aged between three and four.

Chimpanzee exchange programme: The Nandankanan Zoological Gardens in, Bhubaneswar, Odisha has also sought a pair of giraffes from the Mysuru Zoo or at least a male giraffe in exchange to a female chimpanzee. The Mysuru Zoo wants the chimpanzee for its captive breeding programme as the existing female chimps at the Zoo cannot breed.

The Central Zoo Authority (CZA) has given its nod to the Zoos to go ahead with the exchange of animals. The Mysuru Zoo has five chimpanzees — Guru, Ganga, Mason, Kimoni, and Nkosi.

Kimoni and Nkosi were brought from Singapore Zoo four years ago for captive breeding, but the Zoo has not been able to breed chimps. The Zoo cannot give



giraffe Krishnaraja as it is old and cannot spare giraffe Yuvaraja as it is the prolific among the males.

For now, the exchange programme with the Nandankanan Zoo has been put on hold till two pregnant giraffes deliver the young ones.

WANTED

Reputed Forging/CNC Machining Unit in Mysore, supplying auto components to OEM's in Mysore, Bangalore and also export machined components to customers in Europe, is looking for Candidates in the following position:

MANAGER - QUALITY ASSURANCE

Eligibility: BE or Diploma in Mechanical Engineering with 15 to 20 years experience years in a Engineering Industry preferably in Forging Industry

Exposure: Addressing customer complaints, Auditing in house and vendor quality systems, documentation, awareness of ISO/TS certification.

Mysuru getting ready to host Kannada Lit Fest

Cranes being deployed to erect the main pandal at Maharaja's College Grounds in city this morning. Picture right shows a section of teachers who attended a sensitisation session as part of the Kannada Sammelana at Kalamandira.

Mysuru, Nov. 20 (RK&VNS)- The heritage city of Mysuru, the venue for the 83rd All India Kannada Sahitya Sammelana, is being decked up for the mega event with more than 100 workers involved in erecting the main stage and seating arrangements using German Technology for about 25,000 spectators at the Maharaja's College Grounds.

The arrangements at the venue are being made by Marketing Consultants and Agencies Limited, a Karnataka Government enterprise. Apart from the main stage and seating arrangements, three pandals measuring about 100 ft x 300 ft to accommodate book stalls and commercial stalls are being erected at the ground located opposite to the Sports Pavilion.

Meanwhile, the arrangements to serve food for the VVIPs and media persons is being made behind the main stage and for the general public at the nearby Scouts and Guides Grounds.

The three-day Mega Kannada event will feature a variety of cultural and literary programmes at Kalamandira, Mini Theatre (at Kalamandira), Town Hall, Dufferin Clock (Chikka Gadiyara) premises, Maharaja's College Centenary Hall and in front of Kote Anjaneyaswamy Temple (Mysore Palace North Gate).

The District Administration will also mount the cut-outs of all the eight Kannada Jnanpith awardees — Kuvempu, Da. Ra. Bendre, Shivaram Karanth, Masti Venkatesh Iyengar, V.K. Gokak, Girish Karnad, U. R. Ananthamurthy, Chandrashekar Kambar along with those of A. N. Krishna Rao, popularly known as Aa. Na.Kru— along the procession route and at the venue.

Authorities are also asphalting the roads leading to the Maharaja's College Grounds. This apart, the main roads and Circles near the venue will be illuminated for the occasion.

Teacher-volunteers sensitised

About 2,500 teachers from various schools underwent a sensitisation programme at Kalamandira this morning.

The teachers have been selected to work as volunteers for various Committees in the ensuing Kannada Sahitya Sammelana.

They were sensitised about looking after the boarding and lodging facilities, food arrangements and maintaining cleanliness among others. DDPI Manjula, Kannada and Culture Assistant Director H. Chennappa, Assistant Commissioner Shivegowda, MUDA Chairman D. Dhruvakumar and Food and Civil Supplies Senior Deputy Director Dr. K. Rameshwarappa addressed the teacher-volunteers on their responsibilities. With just four days left for the mega event, the district administration is leaving no stone unturned to make the event a grand success.

Dr. Ambedkar's statue unveiled at Manasagangothri

Devaraja Urs Bhavan inaugurated at BIMS premises

Mysuru, Nov.20 (RK&KS)- PWD and District in-Charge Minister Dr. H.C. Mahadevappa unveiled the 9ft. tall bronze statue of Dr. B.R. Ambedkar in front of University of Mysore (UoM) Library at Manasagangothri campus here yesterday.

The Minister also inaugurated D. Devaraj Urs Bhavan at B.N. Bahadur Institute of Management Sciences (BIMS) campus in Manasagangothri later.

Speaking after unveiling Dr. Ambedkar's statue at a stage programme organised at Senate Bhavan in the campus, the Minister said that it is not possible for India to turn into a developed country without the Constitution and added that it is the responsibility of those who follow the ideologies of Basavanna, Buddha and Ambedkar to protect it.

The Minister said that communalists and fundamentalists were weakening the Constitution by trying to create disharmony in the society and added that if the Constitution is not protected it would affect the Backward Classes and the common man in future. Dr. Mahadevappa said that the Indian Constitution was under threat as anti-social elements were attempting to tamper it.

Calling people not to allow communalism and fundamentalism into Universities and educational institutions, Dr. Mahadevappa said that strengthening democracy and development of the country must commence from Universities.

Statue of Basavanna

Earlier, University of Mysore Acting VC Prof. Dayananda Mane said that there were plans to install the statue of Basavanna at the Kannada Department premises in Manasagangothri and added that it will be in addition to the existing statues of Dr. Ambedkar and Buddha.

Speaking about Ambedkar's statue, the VC said that it was a 9ft. tall life size statue which holds significance for being the first statue of Dr. Ambedkar to be installed in State Universities and second after Columbia University and added that the cost of the statue was Rs.40 lakh out of which Rs. 20 lakh was borne by the UoM and the rest was raised from donors.

Scholars urge Minister to rename Devaraj Urs Bhavan as Research Centre

Meanwhile, a group of scholars urged District Minister to rename D. Devaraj Urs Bhavan as D. Devaraj Urs Research and Extension Centre. The appeal comes in the wake of research centres being named after Dr. B.R. Ambedkar and Dr. Babu Jagjivan Ram.

MP R. Dhruvanarayan, MLC R. Dharmasena, former Mayor Purushotham, KPCC Member Dr. Chandrakanth, Registrar D. Bharati, Registrar (Evaluation) Prof. Somashekar and Engineers Shankar and Kishore Chandra were present.

Dy.SP M.K. Ganapathy suicide case

CBI finds anomalies in post-mortem report

Madikeri, Nov. 20- In a new revelation in Dy.SP M.K. Ganapathy suicide case, the CBI, which is probing the case as per a Supreme Court directive, has reportedly found anomalies in the post-mortem report of the deceased Police Officer, according to a TV news channel.

Ganapathy

A team of CBI Officers, who recently visited Madikeri, had recorded the statements of the kith and kin of the deceased, Police Officers and doctors who conducted the post-mortem.

M.K. Ganapathy, who was serving as Dy.SP at Mangaluru, was found hanging at a room in a lodge at Madikeri on July 7, 2016.

A couple of hours before ending his life, Ganapathy in an interview to a local TV channel had blamed Bengaluru Development Minister K.J. George, who had earlier served as Home Minister and IPS officers Pronab Mohanty and A.M. Prasad of harassing him.

The CBI, which recorded the statement of Dr. Shailaja, who conducted the post-mortem at the District Hospital in Madikeri, is said to have questioned the doctor on the anomalies found in the report.

Dr. Shailaja is said to have told the CBI sleuths that she was asked by the Government to conduct the post-mortem treating it only as a suicide case, according to the TV channel.

The channel further said that Ganapathy had fired two rounds from his service revolver at the floor of the lodge room where he stayed and that the gun powder marks found on his dress did not find any mention in the post-mortem report.

MCC conducts footpath clearance drive

Mysuru, Nov. 20 (RK&VNS)- The Mysuru City Corporation (MCC) and N.R. Traffic Police conducted a joint operation to clear the footpath encroachments on Nelson Mandela Road in Bannimantap here today.

The drive was conducted following several complaints to MCC on public facing problems while commuting on the road.

MCC Zone 7 Assistant Commissioner Mohan and N.R. Traffic Inspector Jayakumar, who conducted the drive, cleared about 25 petty shops and pushcarts.

N.R and Mandi Police had provided security.

Petroleum dealers stage hunger strike

Dalit organisations to observe Mysuru bandh on Nov. 22

Mysuru, Nov. 20 (PM&KS) - Members of the Federation of Mysore Petroleum Traders (FMPT) and Ambedkar Sene staged separate protests in city recently.

The members of FMPT alleging unscientific rules by the oil companies which has put them into a lot of hardship, staged a hunger strike in front of DC office here on Nov. 18.

They alleged that the oil companies were imposing unscientific guidelines for sale of fuels, no human interference during sales and the dealers paying fines for technical glitches.

President of Karnataka Petroleum Federation Basavegowda, FMPT President Shashikala Nagaraj, Ranjith Hegde, dealers S.R. Patil, Lokesh and others took part in the hunger strike.

Members of FMPT staging a dharna near DC office here.

Protest against former MLC

Members of Ambedkar Sene, Mysuru District Branch, demanding exile of former MLC G. Madhusudan and suspension of officers involved in the misuse of funds of SCP and TSP projects, staged a protest in front of DC office here on Saturday.

They condemned Madhusudan's alleged remarks while speaking to a TV channel, against the Constitution, thus humiliating Dr. B.R. Ambedkar and the Constitution. The protestors demanded a case be registered against Madhusudan.

Dalit organisations to observe Mysuru bandh on Nov. 22: Condemning the statement of former MLC G. Madhusudan, various dalit organisations have warned of observing Mysuru bandh on Nov. 22.

Speaking to mediapersons here recently, Jnanaprakash Swamiji of Urilinga Peddi Mutt said that if the Police do not file an FIR against Madhusudan in a couple of days, we would observe Mysuru bandh on Nov. 22.

The Swamiji also said that various associations including Lorry Owners Association, Karnataka Dalita Vedike and other organisations would support the bandh call and added that a silent protest rally would be taken out on important roads in city on that day.

Boy assaults shopkeeper

Mysuru, Nov. 20 (SPN&KS) - A complaint has been lodged with K.R. Police by a shopkeeper who was assaulted by a minor boy for asking him not to tease girls.

The shopkeeper, who was assaulted has been identified as Shyam, who owns a garments shop atop Chamundi Hill.

On Nov. 18, the boy was purchasing clothes at the shop and was also teasing girls who had come from Kerala besides behaving indecently with them.

Shyam, who saw this, asked the boy not to tease the girls and also advised him. Irked by this, the boy all of a sudden assaulted him.

PUBLIC NOTICE

Based on the Agreement of Sale dated 11-7-2005 in respect of 1 Acre and 22 Guntas of agricultural land in Sy.No.69/1 of Chikkahalli village, Varuna Hobli, Mysore Taluk, (fully described in the schedule below) executed by Mr.Nataraju S/O Late Puttamadaiah of Chikkahalli village and others, my client Mr.S.Suresh, S/O Shivarama Rao, had filed O.S No.450/2006 on the file of the Senior Civil Judge, Mysore. After the dismissal of the suit, my client challenged the same in R.A No.312/2011. Since the R.A was also dismissed, my client has challenged the same before the High Court of Karnataka, in R.S.A No.1876/2015. When the said R.S.A No.1876/2015 came up before the High Court on 26-11-2015, the Advocate for Caveator/Respondent-1 Nataraju, S/O Late Puttamadaiah, submitted that he will not alienate the suit property and the same has been recorded by the High Court.

Having regard to the said undertaking and the pendency of the R.S.A No.1876/2015, the public at large are hereby warned/notified not to enter in to any transactions or dealings in respect of the schedule property with Nataraju, S/O Late Puttamadaiah and others. Despite this public notice, if any person/s were to purchase or to deal with the schedule property, they will be doing so at his/their own risk and costs and it will not in any way affect the rights of my client over the said property.

SCHEDULE PROPERTY

Agricultural land bearing Sy.No.69/1 measuring 1 Acre and 22 Guntas, situated at Chikkahalli village, Varuna Hobli, Mysore Taluk and bounded as follows : On the East by : Land of Puttananjaiah, On the West by : Government Land, On the North by : Land of Puttalingaiah, On the South by : Land of Moddedevanna.

Date: 20.11.2017

Krishnamurthy G.Hasyagar, Advocate
No.1600 (Upstairs), "Shri Durgambika",
1st "A" Cross, 3rd Main, Chandra Layout, BANGALORE- 560040

PUBLIC NOTICE

This is to bring to the kind notice of the members of the General Public that my client Sri.B.V.Vikas, Aged about 38 years, son of late Venkatesh, residing at door No:1192/A, Balakrishna Rao Road, Chamaraja Puram, Mysore has preferred an original suit bearing O.S. No: 478 of 2015 which is pending on the file of the Hon'ble 4th Addl. Senior Civil Judge, Mysore. The original suit is filed seeking for the relief of partition and separate possession of several items of properties, one such property is the property bearing No: 435, Hebbal Industrial Area, Mysore wherein the business of a hotel under the name of style **M/s. ROYAL INN** is being run in partnership. My client has also sought for dissolution of the above said partnership firm along with apportionment of the assets and profits of the partnership firm.

In the original suit the following persons are named as Defendants 1) Sri.Vaibhay. B.V,. 2) Smt.Kusuma B.V., 3) Sri. Sudheer Kumar M.A., 6) Smt.Madhura, 7) Sri.C.Basavegowda, 8) Smt.Sudha, 9) Smt.Jayashree 10) Smt.Shantha, 11) Smt. Jamuna. At the first instance the Hon'ble Court has granted an exparte order of temporary injunction restraining the Defendants from alienating the suit schedule properties. However, the order of injunction could not be extended since a settlement was proposed, which did not materialize. Now the matter stands posted to consider the interim application. My client has now learnt that the aforementioned Defendants are making hectic efforts to alienate/ sale of the schedule property / the business of the partnership firm so as to defeat the right of my client. Under the circumstances my client is constrained to inform the General Public not to enter into any transaction of sale or otherwise with respect to the schedule property and the business of the partnership firm i.e., **M/s. ROYAL INN,** in view of the pendency of the original suit. However, in spite of this public notice if any person/s would proceed in the direction of entering into the transaction of sale / lease / mortgage etc., they shall be doing so at their own risk and any such transaction shall not be binding upon my client, who would be constrained to challenge such transaction and seek for its annulment, in which event all the persons concerned shall be liable for the consequences thereof.

SCHEDULE

All that piece and parcel of commercial establishment under the name and style **"ROYAL INN" bearing No: 435, Hebbal Industrial Area, Kasaba Hobli, Mysore,** bounded on the: East by: KRS Road, West by : Plot No. 435, North by : Ring Road, South by : Private Property.

Vaastu-Feng Shui & Bio-energetics

By S.B.S.Surendran
Accredited Master Feng Shui Consultant

Harmonising life and space

In the science of ancient art of Feng Shui, it is said that the flow of energy in a building should be without much obstacles and free flowing. However, this is not always possible due to many factors. The health sector which is the centre of a building does get afflicted when the energy gets blocked and this causes frequent illness to the occupants.

Feng Shui recommends many methods to harness good energy and usher in prosperity into our lives. The Feng Shui analysis of a building is a complex piece of calculations, compass directions, analysing the interaction of the five elements and cause and effect of the afflictions on the occupants and the building.

Classical Feng Shui analysis says that energy (chi) flowing in a building gathers more towards the centre while originating from all the corners of the building. Hence, the centre sector is akin to the human heart which supports all the other human organs by ticking alive.

The Feng Shui compass itself is a unique, accurate and a valuable tool which reveals important aspects of the analysis of a specific place. The compass directions are classified further on the basis of the Chinese zodiac sign and the twelve animals are distributed around the dial such that each of them occupies a specific sector, element and aspiration.

Our prosperity is really a reflection of our thoughts formed by the perceptions of the outer world. Hence harmonising our inner self and our immediate surroundings can open the channels to achieve greater prosperity and abundance in our lives.

Creating a harmonious space and environment that exudes harmony is one of the key dynamics behind this age-old practice. It's no surprise that we would most often be faced with bad energy due to our immediate surrounding and environment around our building. These may give rise to ill-fortune in the form of relationship, wealth, legal entanglement or illness.

We are reflections of our personal environment because we absorb the energy which surrounds us. Our mind and body reacts and responds to the energies we are surrounded as this energy flows around us and through us.

As we continually interact with our personal space, it has a profound influence on the quality of our lives both on a conscious and subconscious level. It is a mirror reflection of who you are and your life circumstances. The internal environment that we live in plays an integral part in creating the external aspects of our lives.

To create a harmonious space with good energy flow, we can bring in simple décor and changes in our space which in turn empowers the Feng Shui and well being.

• Paintings or pictures of cranes with pine tree as background signifies peace, good health and happiness.

• Activate the dragon energy by placing a figurine in the East sector of your home or living room to bring in good health and harmony.

• Choose colours that help you unwind — lavenders, greens, peaches and other soothing earth tones into your home you could also identify a colour which makes you feel nice and calm, adapt it into your space. Try lighting a blue, lavender or crème coloured candle for relaxation.

A classical treat

By Dr. Rama V. Bennur

Sri Nadabrahma Sangeetha Sabha had organised a fine classical vocal concert in memory of Smt. Rukmini Ammal and Sri Ramaswamy Iyengar on Nov.4 at the premises of Sri Vasudevacharya Bhavana. A young vocalist from Madurai, **Vid. Sivaganesan,** accompanied by **Achutha Rao** (violin), **Nikshit Puttur** (mridanga) and Raghunandan Vyasa Rao (ghata), gave an impeccable concert.

Groomed by Vid. Madurai R. Kannan and C.R. Vaidyanathan, Sivaganeshan has imbibed perfect classicism. He has been performing for the past nine years apart from the numerous accolades he has received.

It is his rich voice dipped in raga bhava that seldom loses its energy, the main attraction of his singing. Each item he chose bore the stamp of his sincere and dedicated approach and rich imagination.

After the opening, Ragamalika Varna of Patnam Subramanya Iyer 'Valachivacchi,' Sivaganeshan presented 'Sri Jalandharamaashrayaamyaham' a composition of Maharaja Sri Jayachamarajendra Wadiyar in Gambhira Naata with a frill of crisp chitteswara. Raga Natakapriya was elaborated with intricate gamakas and alluring movements. He displayed good breath control in both lower and higher octaves. Mysore Vasudevacharya's 'Idi samayamubrovarada' emphasised the richness of the composition with expansive improvisation. A cascade of kalpanaswaras followed at 'Paramapurushavasudeva.'

'Aanandanatanaprakasham' by Muthuswami Dikshitar (Kedara) paved way to an elaborate exposition raga Vasantha.

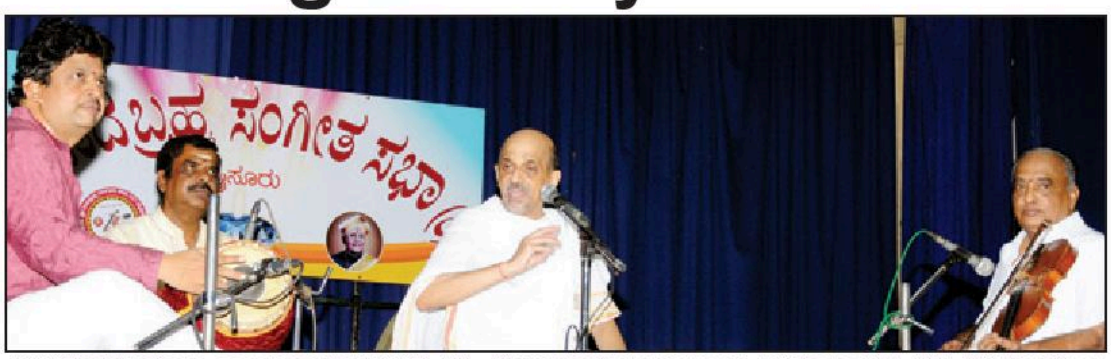
Sivaganeshan gave a comprehensive treatment to the raga with sharp and crisp birka filled alapana.

Achyutha Rao's bowing was also crisp and bright and held the attention of the listeners. Tyagaraja's 'Etladorikithivo' was superb with elaborate swarakalpana. After a quick rendition of 'Aparadhamula' (Darbar), he arrived at the main item of the day, a Raga-Tana-Pallavi in Hemavathi. Yet again it was an energetic rendering. Pallavi 'Ninnenammithineevegathineerajadalanayana Rama Sri Rama Seeta Rama' was set to Tisratriputataala in chowka kale.

Technically superb with Anandabhairavi, Varali and Brindavanasaranga in the swaras pleased the rasikas.

Young Nikshit and Raghunandan gave good support all through the concert on mridanga and ghata. A Pasuram of Kulasekhara Alwar in Hamsanandi was followed by a Devaranama of Purandara 'Tirupathi Venkataramana.' A fine Tillana of T.N.Seshagopalan in Hamirkalyani brought the curtains down.

Evoking divinity...



Dr. Vidyabhushana, accompanied by Vid. H.L. Shivashankaraswamy on mridanga, Vid. M.R. Manjunath on ghata and Vid. H.K. Narasimhamurthy on violin, presenting a vocal concert at Nadabrahma Sabha on Nov.5.

Nadabramha Sangeetha Sabha had organised a classical music programme on Sunday, the 5th inst by the well-known senior artiste **Dr. Vidyabhushana.**

Any programme by this artiste always attracts a large crowd of listeners and connoisseurs both and hence, the hall was fairly well-crowded, the reason being, the artiste will mix in his repertory pure classical style well received by the musical literati and a rich splash of Dasasahitya of both Purandara and Kanaka, both of which will linger for long in the ears of the other class not well attuned to the nuance of the pure classical style.

This concert-spread over a little more than two hours was no exception proving, if proof is necessary; the popularity of the artiste in no small measure.

The accompanists were veteran **Vid. H.K. Narasimahamurthy** on violin, **Vid. H.L. Shivashankaraswamy** on mridanga and **Vid. M.R. Manjunath** on ghata, all of whom very ably supported the main artiste.

The programme commenced with a number in Raga Kambodhi in a brisk style and was very well-received and set the tone for the numbers that followed. A number in Saramathi came next in Adi Tala with a sudden splash of alapana in Raga 'Panthuvarali' followed by "Shiv Shiva Ena Radha." This was followed by 'Saranu Sri Vaikunta Nayaka Sharanu Garuda Vahana' in 'Kanada' Raga. 'Desh' Raga followed in 'Madhukara Vritti Enadu' by Purandaradasa.

A Ugabhoga in 'Aanada Bhairavi' preceded "Savi Nudi Heluva Purana Sastrangala kivi mele keluva" by Kanakadasa was very well-rendered. This was followed by 'Pillangovi Ya Cheluve Krishnana' in Mohana, well-received.

The vibrant voice module of the artiste was very well-received by the listeners and a sort of divinity was spread in the auditorium. The more than two hour programme was crowned with 'Bhagyada Lakshmi Baramma' in 'Madhyamavathi.'

The programme was sponsored by the well-known art patron of the city, Dr. Jagannath Shenoy. His senior sister-in-law Vasumathi Shenoy was present at and sat through the entire programme and personally handed over a cheque for Rupees five lakhs to Dr. Vidyabhushana's 'Bhakti Bharathi Prathistana' on behalf of 'Smt. Ramabai Charitable Foundation.' The generous gesture was well-appreciated by all.

—M.L. Krishnaswami

DC XI wins Rajyotsava Cup

DC XI** (picture left) **led by Deputy Commissioner D. Randeep won the Rajyotsava Cup cricket match defeating Mysore District Journalists Association (MDJA) XI at the SDNR Wadiyar stadium in Manasagangothri here yesterday. It was also announced that a triangular tournament including the Police Commissioner's XI would be organised soon.

Indian Super League

Bengaluru FC makes a winning start

Bengaluru, Nov. 20- Bengaluru FC got their Indian Super League (ISL) journey up and running with a comfortable 2-0 victory over Mumbai City FC at the Sree Kanteerava Stadium in Bengaluru yesterday. Eduardo Garcia and captain Sunil Chhetri came up with two second-half strikes to cement maximum points.

The game began with a lot of physicality from both teams with tackles flying in from both sides. As the match progressed, Bengaluru started showing more flair and came close to opening their account thrice in the span of six minutes.

First, in the 23rd minute, Venezuelan striker Miku provided a delightful ball for Sunil Chhetri. The striker's first-time volley grazed the post. Two minutes later, Chhetri could have been the provider, but after sliding the ball to Udanta Singh on the right, the latter's shot went just wide. Lenny Rodrigues came close next three minutes later from a corner. He got on the end of a free header which flashed dangerously wide of the post.

The Blues kept seeing more of the ball and while there were a lot of moves that could have potentially ended up in goal, the final pass in the attacking-third seemed to let them down. Consequently, the sides went into the break with the score-line goalless. The hosts' first chance of the second period went to Miku in 47th minute but his volley from a difficult angle was off target. Right-back Rahul Bheke came up with Bengaluru's next chance in the 61st minute when his effort from range stung Amrinder Singh's hands.

The deadlock was finally broken in the 66th minute by Eduardo Garcia. A Bengaluru corner was played short for the Spanish midfielder to cut in from the right and unleash a powerful effort with his left foot to beat Mumbai City custodian Amrinder Singh at his near post.

The Blues missed a golden opportunity to double their lead in the 78th minute. Udanta sent Miku through on goal with a delightful ball, but Amrinder came up with a good save to deny him. The rebound, however, saw Udanta blast over the bar with the goal at his mercy.

Bengaluru did net their second goal in the third minute of added time after miscommunication between Mehrajuddin Wadoo and Amrinder. A long ball from Gurpreet Singh Sandhu bounced awkwardly in front of Wadoo, whose header came off Amrinder and onto the path of Chhetri. Bengaluru's captain took a touch before slotting the ball into an unguarded net. That was enough for the Blues to rise to the summit of the table with a 2-0 score-line.

MATCH 5 - NOV. 22

- **FC Pune City Vs Delhi Dynamos FC**
  Venue: Shree Shiv Chhatrapati Sports Complex Stadium, Pune, 8 pm.

YESTERDAY'S RESULT

- **FC Goa 3 beat Chennaiyin FC 2**
- **Bengaluru FC 2 beat Mumbai City FC 0**

Plea to repair damaged manhole in Kalyangiri

Sewage water is flowing from a damaged manhole on the 2nd Cross, near Muttumariyamma Temple in Kalyangiri near JSS Layout causing a lot of inconvenience to the residents. They said that despite giving a complaint (No.350) to the MCC, no action has been taken till date. With sewage water getting stagnant, residents fear outbreak of dengue or malaria due to increase in mosquitoes in the surroundings. Authorities concerned are urged to take steps to rectify the problem at the earliest.

Clear this mud accumulated on Lalitha Mahal Helipad Road

Mud which is accumulated on Lalitha Mahal Helipad Road here is not cleared and is posing danger to motorists especially two-wheeler riders. Authorities concerned are urged to get the mud cleared from the road at the earliest.

Garbage dump, a problem in Kanakadasanagar

This garbage dump near MUDA Park behind Nandini Circle in Kanakadasanagar 'A' Block, Dattagalli 3rd Stage, has been causing a lot of problems to the residents as it is not cleared since many days. With construction debris and wastes such as empty plastic covers and other such materials being dumped, residents fear of reptiles as the place has become a safe haven for them. Authorities concerned are urged to take necessary steps soon.

700 dustbins to maintain cleanliness on prominent roads of city

Jagadeesha

Mysuru, Nov.20- In a bid to effectively implement 'Swachh Bharat Abhiyan' in city, MCC will place 700 dustbins along important commercial roads of the city at a cost of Rs. 33 lakh.

MCC Commissioner G. Jagadeesha, as part of an effort to keep the city clean ahead of the arrival of Swachh Survekshan (Survey) officials in city, has embarked on this new initiative, for which the tender process has been completed.

In the first phase, 350 dustbins will be placed along Sayyaji Rao Road, Dhanvantri Road,

For representation only.

Ashoka Road, JLB Road in the heart of the city and commercial roads in Kuvempunagar and Vivekanandanagar.

These dustbins will be placed at a distance of 50 mts from each other, thus benefiting the staff of nearby commercial and business establishments, who now do not have to walk long in search of dustbins for dumping waste.

The MCC will put up boards asking people only to dump dry wastes in these dustbins. Following a request by area Corporator Sunil Kumar (Ward No.4), the MCC Commissioner is said to have decided to launch this project from Ramanuja Road.

However, the Commissioner has one reason to be worried as a steel bin costing Rs. 5,000 placed in front of Devaraja Market for the benefit, was stolen by some miscreants.

Commissioner G. Jagadeesha wonders how people-friendly initiatives can be launched if such thefts happen. He has lodged a complaint with the Devaraja Police in connection with the theft of steel bin.

Bengaluru-Karwar/Kannur train to run via Shravanabelagola New Line from Feb. 2018

Mysuru, Nov.20- After commissioning of Bengaluru-Hassan New Railway Line, there was a persistent demand from the public to run combined train No. 16517/16518, KSR Bengaluru-Kannur- KSR Bengaluru and Train No. 16523/16524, KSR Bengaluru-Karwar - KSR Bengaluru train via the new line as it is the shorter route to reach Mangaluru compared to that via Mysuru.

To fulfil their demand and also keeping in mind the need of passengers travelling to Mangaluru from Mysuru, the Railways have decided to divert KSR Bengaluru-Kannur /Karwar- KSR Bengaluru train to run via Shravanabelagola route for four days in a week duly changing Train Numbers, Days of services and timings. For the remaining three days the train will run via Mysuru without any change in existing timings.

Accordingly, the diverted combined Train No. 16511/16513, KSR Bengaluru- Kannur /Karwar Express via Shravanabelagola will leave KSR Bengaluru at 19:15 hours on every Wednesday, Thursday, Friday and Saturday with effect from Feb.10, 2018 and reaches Mangalore Central at 06:20 hours next day.

En route, the train arrives/departs Yesvanpur at 19:28/19:30hrs, Kunigal at 20:44/20:45 hrs, B.G.Nagar at 21:15/21:16 hrs, Shravanabelagola at 21:51/21:52 hrs, Channarayapatna at 22:01/22:02 hrs, Hassan at 23:05/23:10 hrs, Sakleshpur at 00:05/00:15 hrs, Subhramanya Road at 03:30/ 03:35 hrs, Yedamangala at 03:50/03:52 hrs, Kabakaputtur at 04:18/04:20 hrs, Bantawal at 04:58/05:00 hrs and Mangalore Junction at 05:58/06:00 hrs.

In this route, the travelling time between KSR Bengaluru and Mangalore Central will reduce by 45 minutes. From Mangalore Central, Train No. 16511, KSR Bengaluru-Kannur Express departs at 06:40 hrs to reach Kannur at 10:00 hrs. En route the train arrives/ departs Kasargod at 07:28/07:30 hrs, Kanhangad at 07:53/07:55 hrs, Payyanur at 09:08/09:10 hrs.

From Mangalore Central, Train No. 16513, KSR Bengaluru- Karwar Express departs at 07:00 hrs to reach Karwar at 12:30 hrs.

En route, the train arrives/ departs Suratkal at 07:51/07:52 hrs, Mulki at 08:03/08:04 hrs, Udupi at 08:29/08:30 hrs, Barkur at 08:45/08:46 hrs, Kundapur at 09:04/09:05 hrs, Mookambika Road Byndoor at 09:40/09:41 hrs, Bhatkal at 09:57/09:58 hrs, Murdeshwar at 10:19/10:20 hrs, Honnavar at 10:49/10:50 hrs. (experimental halt), Kumta at 11:03/11:04 hrs, Gokarna Road at 11:23/11:24 hrs and Ankola at 11:35/11:36 hrs.

In return direction, the diverted combined Train No. 16512/16514, Kannur/Karwar-KSR Bengaluru Express via Shravanabelagola will run on every Sunday, Monday, Tuesday and Wednesday with effect from Feb.11, 2018 with no change in timings from Kannur/Karwar up to Hassan.

From Hassan the train departs at 02:50 hrs. to reach KSR Bengaluru at 06:55 hrs.

En route, the train arrives/ departs Channarayapatna at 03:39/03:40 hrs, Shravanabelagola at 03:50/03:51 hrs, B.G. Nagar at 04:25/04:26hrs, Kunigal at 04:59/05:00 hrs and Yesvantpur at 06:38/06:40 hrs.

In this route, the travelling time between Mangalore Central and KSR Bengaluru will reduce by 1 hour 25 minutes.

Days of service from Bengaluru have been made as Wednesday to Saturday for facilitating passengers travelling from Bengaluru to their native towns in coastal region for weekends.

Similarly, days of service from Mangalore have been chosen as Sunday to Wednesday to facilitate passengers of coastal region visiting Bengaluru to attend office work.

Combined Tri-Weekly Train via Mysuru

Combined Tri-Weekly Train No. 16517/16523, KSR Bengaluru-Kannur/Karwar Express via Mysuru will run on every Sunday, Monday and Tuesday with effect from Feb.11, 2018 without any change in existing timings.

In return direction, Train No. 16518/ 16524, Kannur/Karwar-KSR Bengaluru Tri-weekly Express via Mysuru will run on every Thursday, Friday and Saturday with effect from Feb. 15, 2018 without any change in existing timings, according to a press release from the Chief PRO, South Western Railway, Hubballi.

Auto drivers seek time to pay pending traffic fines

Mysuru, Nov.20 (RK&KS)- Urging Traffic Police to provide them time as they were finding it difficult to pay fine for various traffic offences at one go, auto drivers have requested the Police to collect pending fines in instalments.

The auto drivers were speaking during the public grievances meet organised at Devaraja Traffic Police Station here on Saturday. The grievances meet was being addressed by Devaraja Traffic Inspector L. Srinivas.

Auto drivers said that they come to know about pending traffic offence cases only during the drives by Traffic Police who demand full payment of fines from them which is impossible for them to pay in one go. Meanwhile, taxi drivers complained that *Ola* and other cab companies were picking up and dropping customers at Sub-urban Bus Stand which was causing a lot of problems to them.

Other complaints and suggestions were to establish an auto stand at Makkaji Chowk, signal lights not visible at the south side of K.R. Circle etc. At N.R. Traffic Police Station, complaints and suggestions such as a CCTV installed to a pole at the signal light near Deaf and Dumb School on the *Jumboo Savari* route leaning dangerously and establishing an auto stand near Meelad Park on Ashoka Road were heard.

The meeting was chaired by N.R. Traffic Inspector Jayakumar.

Similar meetings were held at V.V. Puram and Siddarthanagar Traffic Police Stations.

MUDA officials inspect group housing site

For representation purpose only.

Mysuru, Nov.20 (RK&DM)- As part of Mysuru Urban Development Authority's (MUDA) initiative of providing sites to weaker sections of the society, MUDA Chairman D. Dhruvakumar inspected the proposed sites at Dattagalli, R.T. Nagar, Basavanahalli, Vijayanagar 4rth Stage and Hootagalli on Thursday.

During his visit, the MUDA Chairman sought information from officials on roads, underground drainages and other necessary infrastructure available at the sites. Dhruvakumar directed the officials to identity available MUDA land in different locations and to prepare a DPR on Group Housing Schemes.

MUDA SE Suresh Babu, Town Planning Member Girish, EEs R.K. Raju and Prabhakar and other officials were present.

Entries invited for award

Mysuru, Nov.20- Kannada Book Authority has invited applications for Kannada Pustaka Sogasu-2016 award. Awards will be given to the authors, publishers and artistes based on the quality of the book, printing, front cover design. The book in the Kannada language must be published between January 2016 and December 2016.

Those interested, must send two copies of the books within Nov.20 to The Administrative Officer, Kannada Book Authority, Kannada Bhavan, JC Road, Bengaluru-560002 along with the details.

For details, log on: www.kannadapustakapradhikara.com or contact Ph: 080-22484516/22107704.

Collection of fines by company

Ola auto drivers damage glass windows, office furniture

Mysuru, Nov.20 (SPN&KS)- Alleging that Ola company was unnecessarily collecting money from them as fines, Ola auto drivers, who barged into the Ola office at Bhyrava Complex on New Kantharaj Urs Road here, damaged glass windows and furniture on Saturday.

The auto drivers alleged that the company had given various discount offers to the customers and to make up for the discount money, the company was levelling false allegations against them and were collecting money from them as fines.

Lakshmipuram Police, who rushed to the spot, brought the situation under control but have not registered any case as the Police are awaiting complaints from the office staff and from the company's headquarters.

Painting Expo to conclude tomorrow

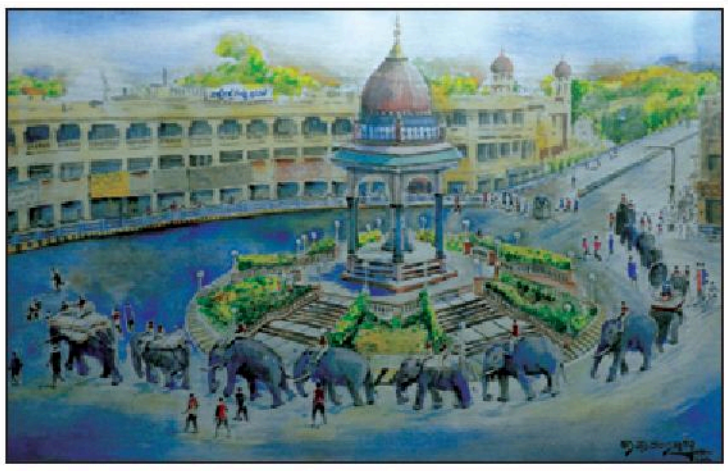
KSGH Music and Performing Arts University Vice-Chancellor Dr. Sarvamangala Shankar is seen lighting the lamp to inaugurate the art expo at Suchitra Art Gallery in Kalamandira yesterday as others look on.

Mysuru, Nov.20- As part of Kannada Rajyotsava, a three-day water painting exhibition of renowned artist H.P. Rangaswamy began at Suchitra Art Gallery in Kalamandira yesterday.

Artist H.P. Rangaswamy is a native of Harohalli in Jayapura Hobli of the taluk.

KSGH Music and Performing Arts University Vice-Chancellor Dr. Sarvamangala Shankar inaugurated the exhibition.

The expo features a total of 36 paintings of natural environs of Kodagu and Mysuru districts, main thoroughfares of Mysuru city, Metagalli Goods Terminal, Dasara elephants rehearsal,



Harangi Dam Road at Kushalnagar, etc.

Senior artist N.B. Kaverappa of Bharani Art Gallery, artistes Aravind Kathi and M. Girija, activist K.S. Narasimhamurthy and others were present.

The expo will be open from 10 am to 7 pm and will conclude tomorrow (Nov. 21). Entry is free.

Preserve, develop 'Modi' script: DC

DC D. Randeep (centre) releasing Dr. Sangamesha Kayani's work on 'Modi' script titled 'Modi Kalike Kalyani' during the inauguration of workshop on 'Modi Lipi' in city on Thursday.

Mysuru, Nov.20 (PM&NNN)- 'Modi' script, which has a unique feature where a writer without lifting the pen writes it, has a history of its own and this should be preserved and developed, said Deputy Commissioner D. Randeep.

He was speaking after inaugurating a three-day workshop on 'Modi Lipi,' organised by the Karnataka State Archives Department at its premises here on Thursday and said that this 'Modi' script is also said to be written in Marathi, Urdu, Hindi and Kannada. "To write using this script itself is an art and it is befitting that a workshop has been organised for the researchers, which is a healthy development," said Randeep.

There are a lot of documents pertaining to this available in the State. Among this, one written by Dewan Poornaiah is also there. In the light of his writings, the information on the history and the lifestyle of the people of those days can be found, he said.

State Archives, Mysuru Division, Deputy Director Dr. J.V. Gayathri speaking said, the study of 'Modi' script is a very complex task. A lot of research has been done earlier on this subject. However, of late, the study and research has come down and hence there should be more emphasis on it, she added.

The 'Modi' script was in usage during the Mysuru rulers' time and many of the information related to the then administration, Palace construction and several other nuggets could be gleaned. Through this script including Biligirirangana Hill, the importance of other places of interest is available.

Earlier, Dr. Sangamesha Kayani's work on the 'Modi' script titled '*Modi Kalike Kalyani,*' brought out by the State Archives Department, was released on the occasion.

The Department's Dy. Director Dr. S. Ambujakshi, Mysuru Division Archives Officer Dr. Gavisiddaiah and others were present.

WORD OF THE DAY

Penurious

Pronunciation: puh-NOO R-ee-uhs
Meaning: Extremely stingy; parsimonious; miserly; extremely poor; destitute; indigent.
Example: That man is penurious though he belongs to a wealthy family.
Origin: Penurious stems from the Latin term pēnūria, which in turn is akin to the Greek peîna, "hunger," and penía, "poverty."

THE ODD WORD

Boffola

A joke that gets a loud or hearty laugh.

PHRASE OF THE DAY

Walk free

Meaning: To be released from a criminal charge without punishment, or not receive the expected or deserved punishment.
Origin: This phrase originated in the USA in the early 20th century. 'Walk free' had been used literally many times before that, of course. In 1764, Roger L'Estrange published a collection of Seneca's essays under the title of Seneca's Morals by Way of Abstract, which included this line:
What (says he) Shall I live in Trouble and Danger myself, and the Contriver of my Death - walk free, and secure?
The meaning there isn't far removed from the current American 'walk away from a crime without any punishment'. It is doubtful that whoever began the 20th US usage consulted the essays of Seneca first, however. Our present use of the phrase comes from the USA, not ancient Rome.
The earliest modern usage of the phrase is from the Connecticut newspaper The Bridgeport Telegram, December 1925: "She walked free today after her fourth arrest in as many months." Over time, 'walk free' has been shortened - in the USA at least - to just 'walk'.

QUOTE BOX

Destiny is a good thing to accept when it's going your way. When it isn't, don't call it destiny; call it injustice, treachery, or simple bad luck.

— Joseph Heller
